SERVICEMAN'S CORNER:

Hi, fellows. Didn't get any Serviceman mail this week--except for a letter from PHILIP BOLLINGER, with his new address. Believe it or not---he's stationed 'way over there in Germany, now--and he goes as follows:

Somewhere in Germany
August 8, :51

Dear Reeces:

Just a few lines to let you know that I am getting the Byline regularly, and to thank you for sending them to me.

However, I have just been sent over here from South Carolina, and I want to make sure I don't miss any Bylines. My new address is on the envelope.

Thanking you again, I am,

Sincerely yours,
PHIL BOLLINGER

Well, thanks, Phil---we don't want you to miss any Bylines, either. And to make sure of that---guess what those nice ladies of the American Legion Auxiliary here in Brisbane has gone and done????

They presented us with a check for this month's postage on the Servicemen's Bylines---and instructed us to present them with a bill each month for all postage on your papers! SO---even if the BYLINE goes broke, and we eventually end up just putting out a weekly gossip sheet for you boys in our back yard, or even in our kitchen---youse guys will be sure of getting it, because the American Legion Auxiliary will be footing the bill for the postage! Pretty darned swell of them, huh?

Saw Herb Gagnier on Wednesday of this week, just as he was getting into Brisbane, after a long trip across country from No. Carolina, and a four-day stay down in Los Angeles. He was still in uniform, and looked MIGHTY NICE--believe you me! If life in the Airforce can do as much for other guys as it has for Herb Gagnier and Pick Hatch---then OFF WE GO--INTO THE WILD BLUE YOUNDER! We could stand a little air-conditioning, ourselves!

Larry Jenkins will be on his way overseas by the time you fellows get this--unless he runs into another stroke of luck like last week---seems he was among the fifteen or so who "didn't get to go" on a particular ship because there wasn't room enough for him. How lucky can you get???

We hear that "Mickoy" Hunter is on his way home, and should be here this Saturday. Don't know the particulars, so we don't know for how long his leave will be. And Mansell Roland tells us that he has been accepted for Airforce duty--probably for training at Lackland Field in Texas. That'll make two of the Roland boys in Service---Eddie is already overseas. Speaking of brothers---we did Rick Hatch's brother Will after he left Hamilton Field, here in California? Haven't been able to send him a Byline in weeks. Same thing with the two Nakolee brothers,

Clyde and Dick. We've heard from Clyde, so we guess he's getting the Bylines okay---but haven't heard a word from, or about, Dick---and as a result---no Bylines for him as yet. Also Jack Zraggen, and Don Casey. Please, fellows, if you have their addresses, send them in, so we can mail them their free copies of the Byline.

Pictures are coming in at a very slow pace---we still have only 19 photos out of more than 50 guys. The girls are still ogling those who are up there--and sighing "I wonder why so-and-so hasn't got his picture up there, too. He's in Service, isn't he?" Well---how about it--ARE YOU UP THERE, ON BRISBANE'S HONOR ROLL????

That's all for this time, fellows. Let's hear from you, and please get those snapshots in here. Surely your folks, or your girl-friend, has an extra one of you???? 'Bye now---With fond regards from us both,--

GLADYS & WARREN REECE.

AMERICAN LEGION AUXILIARY MEETING:

At the most recent meeting of the American Legion Auxiliary, Unit #473--(Brisbane Post)--held at the Legion Hall on Tuesday of this week, August 14th--it was voted upon to sponsor the mailing of the Brisbane Byline to local Servicemen by paying the postage charges.

The meeting, presided over by Maud Mullen, president, was the regularly scheduled monthly meeting, but next month's meeting was set up one week, to September 18th, because of the Convention, to be attended by delegates from the local post and auxiliary.

AIR RESERVE TRAINING ON:

Weekend training for Bay Area Officers and airmen of the organized reserve has resumed at Hamilton Air Force Base, Lt. Col. Guymon Penix, Commanding officer of the 2346th Air Force Reserve Training Center, announced recently.

Commanding the new 920th Reserve Training Wing will be Col. Harold P. "Hy" Little, USAFR, commercial airlines pilot of Redwood City, long identified with Airforce Reserve activities.

Altho' most officer vacancies have been filled, there are still some openings in the wing for medical and administrative officers. Airmen are needed in all categories.

DON'T FORGET THE FREE CHEST X-RAY AT THE RECREATION CENTER ON MONDAY, AUG. 20TH, FROM 2 to 4 P.M. AND FROM 6:30 to 8 P.M. SPONSORED BY T.B. & HEALTH ASSOCIATION OF SAN MATEO COUNTY. THIS IS A FREE SERVICE TO YOU.

FREE CHEST X-RAY FOR BRISBANITES: --

San Mateo County's Tuberculosis and Health Association has scheduled to have it's Mobile Unit stationed here at the Recreation Center on Monday, August 20th, between the hours of two and four in the afternoon, and six-thirty and eight in the evening, for the purpose of giving free chest X-Rays to the local citizens.

As this is one of the services for which you donate funds during the year, we suggest that you take advantage of this wonderful service. These free Chest X-Rays have saved many people from the otherwise ultimate death by tuberculosis. These X-Rays will prove beyond a doubt that you do, or do not, need treatment. So why worry yourself into a breakdown, when it has become so simple and so easy to KNOW what is going on in that chest of yours? SEE YOU DOWN AT THE RECREATION CENTER ON MONDAY, AUGUST 20TH!

SAVE THOSE NEWSPAPERS !!

Last week we printed an item about a sum amounting to \$159.66 which the Brisbane Lion's Club collected for the local Scout organization in May's Paper

Drive. Now the local Lion's are sponsoring another such drive, to be put on on Sunday, September 23rd. We suggest that you stack up your old newspapers--and either tie them in bundles, or stack them in cartons. On Sunday morning of Sept. 23rd, put the tied bundles or cartons out in front of your home. Trucks of Scouts and Lions will go around on that day and collect them all.

Let's make September's Paper Drive surpass the one in May by tons and tons of paper--remember--IT'S FOR THE BENEFIT OF THE YOUNG PEOPLE IN BRISBANE--including ALL the local Scout organizations--both boys and girls. LET'S GO, BRISBANE

STORK FINALLY ARRIVES AT THEATER:

The Bob Hutsells, of the local Theater, are now passing out cigars with blue bands, on which is printed "IT'S A BOY!" Little Mr. Hutsell arrived at 12:30 on Monday, August 13th. He weighed in at eight pounds and three ounces--but is as yet un-named.

Don't be surprised at anything Bob Hutsell may say to you this week---he's not quite himself, you know--after such a long wait. Watch--he's strutting around as if HE had done all the work!

"LARKS" FLYING HIGH:

Brisbane's Larks Baseball Team has a record of three wins and five losses in the League Play.

The next game will be played on Friday night--August 17th, at Funston Playground, at 7:15 p.m. We will be going after our third win in a row. Last Wednesday the Larks defeated Local #14 by five to four. In a Sunday exhibition game, the Larks defeated Thieson Glass Co. by 2-0, in one of the best games of the season.

Walt Pipko, our new pitcher, has struck out 29 men in the last three games. A purty-durn-good record, if we may say so.

See you next time!--

LETTER FROM RED-FEATHER HEADQUARTERS:

TO:

Mrs. Gladys Reece, Editor
Brisbane Byline ----

August 13, 1951

Dear Mrs. Reece:

May I welcome you to the fold of Campaign Publicity Directors. Believe me, your assignment is mighty important to the success of the Campaign as we must have good publicity.

So far, we have twelve publicity Directors in the County, and I believe we should get together and share ideas and we can also tell what we have up our sleeve in the way of County wide publicity.

We are calling a meeting for Monday, August 20, in the Chest office at 1117 B Street, San Mateo, at 8 p.m. I hope it will be possible for you to come.

To save time, here is something I hope you will do, starting now. Go and talk to your local newspaper editor--and tell them of your assignment. You'll find them most cooperative. (Since some of our Publicity Directors are newspaper editors, you may be one, yourself. Guess you'll just have to visit with yourself!)

In the meantime, work with your City Campaign Chairman, who will know constant-ly what is happening. Thanks a lot, and hope to see you Monday, August 20.

Very sincerely,

RAY K INGRAM--

PUBLICITY DIRECTOR.

HOW OBVIOUS CAN YOU GET???

Remember awhile back, when an item appeared on the front page of a Peninsula paper, boxed in so that everyone would read it--about some of our local 15 year olds on a "brandy spree"??? Well, on page TEN of the August 15th issue of that same newspaper, is an item about two 11 year SAN MATEO girls, who went on a whiskey and wine spree. Guess they thought our Brisbane boys more newsworthy than San Mateo girls, huh???

JEFF ENROLLMENT EXPECTED TO BE 1000:

Officials of the Jefferson Union High School District anticipated enrollment at the high school will reach 1000 students at opening of the fall semester.

While an increase of 50 students would top the 1000 mark, it will not mean double time sessions, according to Peter J Markovich, board president.

The daily average attendance in the high school last term was 960 students. The school was built to accommodate 830 students. Any material increase this year, Markovich declared, will mean that two rooms in the gymnasium building must be converted to class rooms.

A teaching and administrative staff numbering 44 will function at the high school. This is an increase of two teachers over those employed last term.

A survey of students now in the 6th, 7th, and 8th grades, made very recently, shows that the high school can expect at least 300 additional enrollments within two years.

To lessen the pressure on the present high school, a new one is to be constructed close to the intersection of San Pedro Road and Skyline Blvd. This will provide facilities for 500 students in 20 classrooms. In addition, there is to be a large gymnasium, two shop buildings and office facilities for the school staff.

Site for a third school, to be built several years hence, has been purchased in Sharp Park. This will provide for the rapidly growing Coastside area.

RUSTIC COURAGE--by Elizabeth Alice Theis:
PART THREE

"Elmer, it isn't that the boy feels he's better than we are. Can't you understand that he's got his dreams, too? Perhaps they are dreams we can't see our way, but it's the only way he'll ever be happy. It aint good for the boy to be forced to walk in our paths," the farmer's wife said.

"It's a sure and safe path---after awhile he'll grow out of this nonsense--spendin' good time chasin' useless dreams. He can already read and write, and that's enough."

It was almost useless to battle with her husband's code. They were farmers, descendants of pioneers and backwoodsmen. But she tried again.

"When we came here years ago, Elmer, remember how wild the place was? You had to clear every inch of the ground before you could even plow."

"How well I know it. Every tree stump had to be dug out with a grubbin' hoe. Why shouldn't the boy take advantage of the place now that we've built it up for him?"

"It isn't that he doesn't want the place, dear. He loves it too--but in his own way. We can't expect him to live just our own way, can we?"

Her husband turned a little savagely in answer. Elmer Lannon had had just about enough of this nonsense. "Remember what happened to Roilly's boy?" a gleam of triumph in his eyes.

"But he was no good anyhow. It wasn't the high school that was to blame. Our boy wouldn't be like that--he's in earnest with his book learnin'. You can't blame the schooling for what happens to boys who is born bad."

So--Bonny enrolled with the fall term. Dad did not change in his convictions that further education was unnecessary. Matters had grown rather tense in the Lannon household--the first real rupture in all those happy years. Every morning meal was just the same as whenever the McGrath boy passed on his way to town.

Bonny could visualize his old classmates gathering on the school campus--there would be exciting chatter about exams--debates--gym classes--oh, what was the use! He strove manfully to down his emotions. But as always, the breakfast choked him. This morning, he had reached the limit of endurance. Excusing himself hurriedly on some trivial pretext he walked out into the morning air--hot tears of disappointment burning his eyes.

If only Dad understood the ache in his heart!--as Bonny closed the door, Mother cast a beseeching glance at her husband in the act of draining his coffee cup. He thumped his cup down rather heavily--mumbling something about "He'll git over it."

His wife answered--"It's his courage you're holding back--you know that, don't you?"
